View Overview

Register

1. Look through search results to find your local GSQ-Orientation training events.
2. Find the event details such as contact information by clicking the **VIEW OVERVIEW** button
3. To register for the event, click the blue REGISTER button. In most cases, you will need to log in to your MiRegistry account to register for this training. If you do not have an account, please view our [support guide on creating an account](#) for more information. **Note:** Some Training Sponsor Organizations may prefer to use their own website for registration. Clicking on the **REGISTER** button may take you to a different website.
