

MiRegistry Trainer Conduct Code and Appeal Process

MiRegistry approved trainers are expected to behave in a manner which will promote professional development and improve skills and teaching practices of Early Childhood and School Age (ECSA) practitioners. Trainers must adhere rigorously to the ethical standards and performance expectations as described on the Trainer Agreement Form. MiRegistry Trainer Conduct Code sets standards for professional conduct when facilitating MiRegistry approved training or activities and applies at all locations. Trainers are expected to maintain and protect confidentiality and offer participants high quality research-based learning opportunities. Trainers will refrain from selling or promoting services or products that promote personal gain. Trainers will protect and respect the intellectual property rights of other approved trainers.

MiRegistry approved trainers agree to adhere to the National Afterschool Association Code of Ethics or the NAEYC Code of Ethical Conduct, and the Supplement for Early Childhood Adult Educators which offers guidelines for responsible behavior and sets forth a common basis for resolving the principal ethical dilemmas approved trainers might encounter in their role. The Conduct Codes set standards for professional conduct when facilitating approved training activities and applies at all locations
